GITICONTROL SERIES

# GitiControl P80

The GitiControl P80 is designed for drivers of premium vehicles who want both performance and comfort. It offers precise handling in dry and wet conditions, helping maintain control during cornering and braking. Its advanced construction reduces road vibrations for a smoother ride, while the special tread compound delivers strong grip and shorter braking distances on wet roads.

COMFORT WHILE DRIVING

PRECISE CONTROL

SHORT WET BRAKING DISTANCE

## TIRE FEATURES

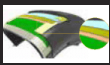

### COMFORT WHILE DRIVING

#### OPTIMISED ELASTICITY OF SUPPORT RING

Sufficiently elastic support ring results in faster convergence while pulsating. Increased comfort at normal tire pressure

### PRECISE CONTROL

#### BETTER CONTROL

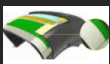

Strong double-layer artificial silk materials: Enhance the impact of force of carcass and better control

#### PROTECTION BAR

3.5 mm high "guardrail" protection bar: Blocks gravels to reduce sidewall damage

### SHORT WET BRAKING DISTANCE

#### CONTROL PERFORMANCE

Strong double-layer artificial silk materials: Enhance the impact of force of carcass and better control
